

CURRICULAR PRACTICAL TRAINING (CPT)

Application Process

Students in F-1 status who will be participating in an internship for which the students will receive credit or as a mandatory requirement for the major must apply for curricular practical training through specific procedures as established by the United States Citizenship & Immigration Services (USCIS). These internships can be paid or un-paid. In all cases, students must have obtained permission prior to beginning the internship.

For more information about CPT, please contact the International Student Advisor at the McGlothlin Center for Global Education and Engagement by calling (540) 831-6200 or emailing globaled@radford.edu.

Steps to Follow

- 1) Arrange for placement with your faculty advisor.
- 2) Complete the “Curricular Practical Training Authorization Request Form” included in this packet. Make sure to get all the required signatures.
- 3) Turn in the request forms and your most recent I-20 to the International Student Advisor.
- 4) Once a new I-20 has been issued with the CPT authorization on the last page, you can begin your internship. **Do not begin work without the authorization in hand.**

Please note:

- Processing time is approximately 3 days.
- **Students who begin working without written permission in hand will be breaking U.S. law and will be out-of-status with immigration authorities.**

When ready, please submit all paperwork to:
