Students are expected to occupy their assigned room. Students who choose to vacate their assignment without being officially exempted from the agreement have abrogated their right to that space and are required to return any key(s) to the vacated assignment as directed. - c. In the event it is necessary, three people may be temporarily assigned to a double-capacity room and later reassigned as space becomes available. If the University requires that three students remain in a double-capacity room past the University census date, a pro-rated refund of the housing fee will be credited to each student's account. These refunds do not apply to students occupying rooms that have permanent capacity for three people. In making or changing room assignments, Radford University complies with all federal and state regulations regarding non-discrimination.
